Lovely Professional University

Lovely Professional University (LPU) is a multi-faculty research-oriented institution with hi-tech campus offering more than 200 professional programmes. LPU campus is a complete world in itself having students from all states of India and more than 40+ countries of the world. LPU is a world class institution with internationally benchmarked curricula, innovative pedagogy focused on experiential learning, cutting edge research, 450+ foreign tie-ups, well qualified faculty with industry exposure, outstanding sports & cultural facilities, excellent residential facilities, In campus shopping mall, hospital, banks, postal services etc. The University is ranked high on various parameters by Government Bodies and other credible organisations. LPU receives Highest Grade A++ with 3.68 score on 4 Point Scale by NAAC (National Assessment & Accreditation Council), an Autonomous Institution of the University Grants Commission (UGC), Ministry of Education, Govt. of India. The Times Higher Education World University Rankings 2025 has ranked LPU amongst Top 10 Universities in India Including all Government (even IITs & NITs), & Private Institutions, and many more.

SCHOOL OF CIVIL ENGINEERING

LPU is one of the top Civil Engineering Colleges in India. School of Civil Engineering empowers its students with state-of-the-art technologies and latest labs that are at par with international education standards. Our students contain a superb blend of skill, leadership and, innovation. LPU School of Civil Engineering focuses on creating professionals that become the inventors of future sustainable technology. The school has rich industry and research-oriented curriculum with adoption of current industry standards & requirements with excellent placements in the leading construction and design companies, nationally and internationally as well.

Placement Highlights

Statistics 2025...

Highest Package: ₹10 LPA

Average Package: ₹7.02 LPA

Top 10% Average CTC: ₹9.55 LPA

Total Offers: 40+

Dream Offers (≥ 5 LPA): 34

Super Dream Offer : 40 LPA

Recruiter Trust & Industry Impact

The placement performance of the School of Civil Engineering reflects strong industry confidence built through rigorous academics, hands-on training, and sustained engagement with professional practice. Recruiters from core infrastructure, technology-driven consulting, and energy-focused sectors have offered diverse career opportunities, highlighting the school's strength in preparing graduates for project execution, construction management, digital engineering applications, and emerging sustainability-oriented roles.

Top Recruiters till 2025...

Core Engineering & Infrastructure: Sterling and Wilson Ltd, NCC Ltd, Soben, Coastline, Slipco Constructions Pvt. Ltd, AL Rakha Group, ASC International, DRA Infracon Pvt. Ltd

Technology & Consulting: Verisk, IT Nova, Glowlogics Solutions Private Limited, Vineyard Digital Services Pvt. Ltd., MITTSURE Technologies LLP, Bharat Skillz, and InternsVeda

Energy & Solutions: Emeral Energy Solutions Pvt. Ltd. and Sgurreenergy

Package Trends (LPA)

The average package for the top percentile of students remains highly competitive, with the top 10% of the batch securing an average of ₹8.33 LPA.

Highest Package Trend:

2023: ₹9.60 LPA

2024: ₹10.00 LPA

2025: ₹10.60 LPA

Average Package Trend:

2023: ₹6.87 LPA

2024: ₹6.59 LPA

2025: ₹6.16 LPA

CTC 14.00 LPA

“My journey at LPU was shaped by constant encouragement and clarity given by the faculties. They helped me understand how classroom concepts translate into real engineering decisions on site. His guidance gave me confidence not just to get placed, but to step into the industry with responsibility and purpose.” - DZUTHONO TUNYI

CTC 6.60 LPA

“Civil engineering became meaningful to me because of the way it was taught. LPU-SCE constantly pushed us to think beyond exams and focus on real-world applications. That shift in mindset played a major role in preparing me for interviews and professional life.”- GURPREET SINGH

CTC 8.80 LPA

“I clearly remember how various site visits encouraged analytical thinking and problem-solving from the very beginning. Practical visualization helped me develop confidence in my technical decisions, which proved crucial during my placement journey and early professional exposure.” - NAVRAJ SINGH

CTC 5.50 LPA

“LPU provided a supportive environment where learning felt purposeful. School of Civil engineering played an important role in strengthening my fundamentals and encouraging continuous improvement. The confidence I gained through mentors guidance helped me perform well during placements.” - ETHINA BHANU

CTC 7.35 LPA

“Industry readiness was a constant focus during my time at LPU. Placement classes gave practical insights and structured focus helped me to understand real construction challenges. His mentorship prepared me to face interviews and transition smoothly into the professional world.” - SAJJANA LAVAKUMAR

CTC 5.26 LPA

“What truly shaped my confidence as a civil engineer was the mentorship I received at LPU. SCE had a remarkable ways of simplifying complex concepts while constantly reminding us of their relevance in the industry. Her encouragement, patience, and belief in my abilities helped me stay focused and confident during the placement process and beyond.” - AMIT KUMAR SINGH

CTC 7.60 LPA

“What made my time at LPU special was the personal attention and motivation I given by the faculty members inspired me to be consistent, curious, and confident in my abilities. Her mentorship helped me grow both academically and professionally, shaping my career direction.” - RITIK KANT SINGH

CTC 5.26 LPA

“LPU helped me discover my strengths and believe in them. Teacher’s constant motivation and career-oriented guidance helped me stay focused and confident throughout the placement process. His support played a key role in shaping my professional outlook.” - SANJANA

CTC 5.50 LPA

“The encouragement I received from faculty members made a huge difference in my journey. Placement mentor’s guidance in understanding industry expectations and professional conduct helped me build clarity and confidence, which ultimately reflected in my placement outcome.” - ALABOINA GANESH

Programmes Offered

Regular Programme:

B.Tech Civil Engineering

After Diploma:

B.Tech Civil Engg .
(Lateral Entry)

B.Tech. (Construction
Technology)for L&T
employees only

After Post Graduation:

Ph. D Civil Engineering
(Regular/Part Time)

Specialized Programme:

B.Tech Civil Engineering
(AI & ML)

After Graduation:

M.Tech. (Transportation
Engineering)

M.Tech. (Structural
Engineering)

M.Tech. (Construction
Management)

“Technologies evolve, markets fluctuate, but the need for Civil Engineering never fades”
